

Open invitation from International Office University of applied arts Vienna

At the annual Open House of the **Angewandte** students and lecturers provide insights into the studios, workshops and ateliers of the University of Applied Arts Vienna and provide information about the programmes. This will be done digitally for the first time, in order to give potential students and interested people the opportunity to inform themselves about studying at the Angewandte despite the current Corona regulations. Interested future students outside of Vienna will also be able to participate in the digital information event.

We will have a great talk and inputs by our partner universities: Newcastle University (UK) and University of Art and Design Burg Giebichenstein/Halle (DE)

Thursday, December 10, 2020, 2-3pm: <https://zoom.us/j/96276640657>

While our talk will be more interesting for outgoing students, the virtual visit in our departments will be highly informative for our incoming students. There is no official programme but please feel free to have a look on the departments websites you are interested in (<https://www.dieangewandte.at/openhouse>)

The team of the International Office will be happy to answer all of your questions!

Mag.^a Astrid Anna BEHRENS
