

## Invitation to Open House 2023 of the University of Applied Arts Vienna

Open Studios from 10 am to 6 pm and program on site and online!

The University of Applied Arts Vienna cordially invites you to the Open House on 7 November 2023 from 10 am to 6 pm! We appreciate you spreading this information around your university.

Whether it is Painting, Stage and Film Design, Social Design, Experimental Game Cultures, Architecture, Graphic Design, Transformation Studies, Art x Science or Cultural Studies - the range of courses offered by the Angewandte is incredibly diverse and includes Bachelor's, Master's and Diploma programmes as well as postgraduate courses, artistic and scientific doctoral programmes.

In order to get to know them better, all departments will open their doors during the Open House from 10 am to 18 pm. Students and lecturers will be on site to answer questions about the studies. Apart from the Open Studios, they additionally offer an information programme on site and online.

At the Infopoint in Vordere Zollamtsstraße, students provide information and give a brief overview of the Angewandte hourly. At 10 am and 2 pm, Brigitte Felderer (Vice Rector for Studies, Teaching and Diversity) will give an informative lecture about study programmes at the Infopoint. Guided tours by students to the central locations of the Angewandte also begin there.

For all those who are unable to visit on site, online talks are offered. All Zoom dates, the respective links and the entire programme will be available on our website [www.openhouse.uni-ak.ac.at](http://www.openhouse.uni-ak.ac.at) from the end of October.
